

## **2015 Recap & List of Winners**

Attendance was a bit down from recent years but those who were able to make it had a great time! The weather for both days was unbeatable, with mild temperatures and calm winds. Sharon Lundgren's food was fantastic as always and a big thank you to her crew! The ladies made a great showing this year with Marge Rodger's team tying with Jim Rodger's team for the lowest two day score. The tie-breaker eventually went to Jim. Thank you to all who participated as golfers and supported the event as a sponsor. Proceeds will benefit Sierra Service League local charities. This year's winners were:
