Board of Directors Award**

# **FLEET SAFETY CONTEST**

**The Fleet Safety Contest recognizes fleet operators with outstanding safety records. Any CalCom Member Company is eligible.**

**Winners' plaques will be presented at the CalCom Annual Conference Awards Ceremony.**

## **AWARDS CRITERIA**

- ◆ For Fleet Safety Contest purposes, a vehicle accident is an occurrence in which bodily injury or property damage is incurred.
  - Where actual mileage figures are unavailable, estimate mileage by fuel consumption.
  - Awards are based on the ratio (incident rate) of vehicle accidents to total miles traveled during 2020.

(Frequency rate = one million x the number of vehicle accidents, divided by the number of miles driven)
  - Based on data from December 01, 2019 through November 30, 2020.

**Board of Directors Award - Best accident record in category.**

## **OCCUPATIONAL SAFETY CONTEST**

**The Occupational Safety Contest recognizes CalCom Member Companies with outstanding industrial safety records. Any Member Company is eligible. Winners' plaques will be presented at the CalCom Annual Conference Awards Ceremony.**

### **AWARD CRITERIA**

- ◆ Cal/OSHA Form 300 or equivalent (Record keeping and Reporting Guidelines for Public and Private Employers under the California Occupational Safety and Health Act of 1973) is used for recording injury accidents and illness.

The total of column H from Form 300 will provide desired occupational injury and illness (lost workdays) accident information.

Guidelines are available from the National Safety Council.

- Awards are based on the incident ratio (frequency) of work-related injuries to total hours worked during 2020.
- Incident rate =  $200,000 \times$  the number of work-related injuries (lost workdays), divided by the total number of person hours worked.
- An Occupational Injury is any injury, which results from a work accident or exposure involving a single incident in the work environment.
- An Occupational Illness is any abnormal condition or disorder caused by exposure to environmental factors associated with employment.
- Based on data from December 01, 2019 through November 30, 2020.

**President's Award - Best accident record in size category**
